

Momentum Announces a Warrant Inducement Transaction for \$7.0 Million in Gross Proceeds

October 14, 2025

SAN JOSE, Calif.--(BUSINESS WIRE)--Oct. 14, 2025-- Momentum Inc. (NASDAQ: MNTS) ("**Momentum**" or the "**Company**"), a leading U.S. commercial space firm specializing in satellite solutions, in-space transportation, and orbital infrastructure, today announced its entry into a warrant inducement agreement with an existing institutional investor of the Company for the immediate exercise of (i) the March 2025 warrants to purchase up to 2,142,858 shares of common stock, and (ii) the July 2025 warrants to purchase up to 2,836,880 shares of common stock, for a total of 4,979,738 warrants (together, the "**Existing Warrants**"). The March 2025 Existing Warrants will be exercised at a reduced exercise price of \$1.43 and the July 2025 Existing Warrants will be exercised at the current exercise price of \$1.41 for total gross cash proceeds of approximately \$7.0 million, before deducting financial advisor fees and other transaction expenses. The Company intends to use the net proceeds from the offering for working capital and other general corporate purposes.

In consideration for the immediate exercise in full of the Existing Warrants, the investor will receive in a private placement new October 2025 Class A unregistered warrants to purchase up to 7,469,607 shares of common stock (the "**New Warrants**"). The New Warrants will have an exercise price of \$1.43 and will be initially exercisable on the date that stockholder approval of the exercise of the New Warrants is obtained. The New Warrants will expire five years from the date of such approval. The closing of the warrant inducement transaction is expected to occur on or about October 15, 2025, subject to satisfaction of customary closing conditions.

A.G.P./Alliance Global Partners acted as the exclusive financial advisor in connection with the transaction.

The New Warrants described above were offered in a private placement pursuant to an applicable exemption from the registration requirements of the Securities Act and, along with the common stock issuable upon their exercise, have not been registered under the Securities Act, and may not be offered or sold in the United States absent registration with the SEC or an applicable exemption from such registration requirements. The securities were offered only to accredited investors. The Company has agreed to file a registration statement with the SEC covering the resale of common stock issuable upon exercise of the New Warrants.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Momentum

Momentum is a U.S. commercial space company offering satellites, satellite components, and in-space transportation and infrastructure services. The Company offers satellites to support government and commercial customers for missions like communications, missile tracking, and cutting-edge science missions. Momentum offers services such as hosted payloads, support for in-space assembly, on-orbit servicing and refueling, and transportation of satellites to specific orbits.

Forward-Looking Statements

This press release contains certain statements that may constitute "forward-looking statements" for purposes of the federal securities laws. Forward-looking statements include, but are not limited to, statements regarding the expected closing of the Offering, the intended use of proceeds and fulfillment of customary closing conditions. Momentum or its management team's expectations, hopes, beliefs, intentions or strategies regarding the future, projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions, and are not guarantees of future performance. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of Momentum's control. Many factors could cause actual future events to differ materially from the forward-looking statements in this press release, including but not limited to risks and uncertainties included under the heading "Risk Factors" in the Annual Report on Form 10-K filed by the Company on April 9, 2025, as such factors may be updated from time to time in our other filings with the Securities and Exchange Commission (the "SEC"), accessible on the SEC's website at www.sec.gov and the Investor Relations section of our website at <https://momentus.space>. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and, except as required by law, the Company assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.
